MISSION STATEMENT

Excellence to the Glory of God!

We want our students to desire to be excellent in all areas of their lives: academic, spiritual, social, behavior, and more.

VISION STATEMENT

Our vision consists of four main goals:

- To form a partnership with parents in order to establish their children with a Biblical worldview.
- To train up a generation of Godly leaders who love learning and are sought after for their wisdom.
- To prepare a student spiritually, socially, emotionally, and to be able to articulate and defend his/her faith.
- To raise up servant leaders in their God-given vocations.

WHAT IS CHRISTIAN EDUCATION?

"It is about a **Christian** way of living. The **Christian** school offering **Christian education** seeks to teach this way of life every day through all that is done and taught. It does this in a setting of a unified community of love and learning between parents, children, and teachers."

"Over 30 years ago, a group of individuals stepped out in faith with a desire to create a school based on solid biblical principles. Through God's favor, TCA continues to operate on those same beliefs today and for the foreseeable future."

- Pete Rodewald
Administrator

"But those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint."

- Isaiah 40:31, NIV

"Our main reason for choosing Trimont is because it is a wonderful Christian-based preschool that has taught our children the foundation of their faith. Not only do the children learn so much about Christ but they also are learning academically. The whole staff at TCA is very caring and nurturing, treating our children like their own. I never have to worry about them not being in excellent hands during the day!"
